Amendment to Jail Manual — Remissions to Convict Night watchmen.

eneral and Revenue Secretariat | File No. | of 194 . | [App. F. III-2

Serial No.

From

The Inspector General of Prisons,

Letter No. 263-84 dated 21st. Octr 194 stating that rule 295 of the Jail Manual Vol I., as at present stands, provides for the grant of only 4 days remission per month to Convict Night watchmen on a par with that granted to ordinary Convicts involving some hardship to the former and recommending that in order to remove the hardship, the remission granted to Convict Night watchmen may be enhanced from 4 to 5 days per month and the rule 29 may be amended accordingly.

The distinction in the amount of remission granted to Convict Night watchmen & Ordinary Convicts by enhancing it by a day in the case of the former, seems, as stated by the Inspector Prisons, to be reasonable.

SECTL. & DEPT. 23 OCT. 1940 GOVT OF MYSORE

Sir,

23/10

In forwarding herewith a copy of letter No. 822/F.24 dated the 11th September 1940 from the Superintendent, Central Jail, Bangalore, I have the honour to state that, while under Rule 295 of the Mysore Jail Manual, Convict Warders and Convict Overseers receive 8 and 6 days' ordinary remission per month respectively, Convict Night Watch-men who are also Convict Officers receive under the same rule only 4 days' remission per month as any ordinary Convict. It is reasonable that just as Convict Warders get 2 days' remission more than Convict Overseers and Convict Overseers, 2 day's remission more than Convict Night Watch men, Convict Night Watchmen should get a higher rate of remission than ordinary Convicts. Accordingly, I recommend that Rule 295 of the Mysore Jail Manual may kindly be ordered to be amended as follows:-

" In lieu of the remission allowed under Rule 294, Convict Warders shall receive 8 day's ordinary remission per month, Convict Overseers 6 day's per month and Convict Night Watchmen 5 day's per month".

I request early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

B Narayana Rao 21/10

Inspector-General of Prisons.

Letter No. 822/F.54 dated the 11th September 1940 from the Superintendent, Central Jail, Bangalore to the Inspector-General of Prisons in Mysore, Bangalore.

I have the honour to state that Mr. T.N. Madappa Chief Warder has brought to my notice that at present there is no difference between a convict under remission rules and a Convict Night-Watchman after the amendment of Rule 294 of the Mysore Jail Manual. Prior to this amendment the position of a Convict Night Watch-man was better naturally, than that of a Convict (Vide Rule 295 of the Mysore Jail Manual). When rule 294 the Mysore Jail Manual was amended, rule 295 Ibid seems to have been lost sight of with the result that a Convict who is entitled to get only 3 days remission receives 4 days remission per month after this amendment, while a Convict Night-Watchman too gets the same amount of remission. I consider this to be an anomaly and therefore recommend that rule 295 of the Mysore Jail Manual may kindly be amended as follows:-

" In lieu of the remission allowed under rule 294 Convict warders shall receive 8 days ordinary remission per month, Convict Overseers 6 days per month and Convict Night watchman 5 days per month". This will remove the present anomaly and I request that the amendment may kindly be approved.
